Setup device

1. Plug Twinkly Music to the USB power outlet closest to the music source.
2. Launch Twinkly App and go to **Menu > Devices > Add another device**. Select **Twinkly music** and follow the instructions on the App.
3. Once the App has found the Twinkly Music device, proceed to connect it with your home/office WiFi from the list of available networks (to which your other Twinkly devices are connected).
